

Party Schedule – Next level 3D Fondant Moulding

upon arrival

- We kindly ask guest to arrive 5 minutes before the scheduled party time.
- You will be greeted by one of our friendly staff out the front of our studio. This is an exclusive use space and only host one party at a time. The existing party could still be finishing so we will bring you in once they have vacated the studio & we are set up and ready to go
- Once all of the guests have arrived, your party hosts will commence and get the party started (we allow for a 5 minute “late window” for guests who may running late).

it's time to Cake It Up!

- The hosts will then begin going through the cupcake decorating kits with the guests.
- They will introduce and explain how to use the tools, 2D moulds and fondant - which they start to feel and play with the fondant. This is the fun part as the party guests get to look, touch, feel and figure out what all of their tools are for.
- Party guests are guided by the party hosts who will be giving a live demonstration of each step, step by step as they go along so no one will be left behind.
- First step, we soften the fondant and demonstrate how to use the 3D fondant moulds and powder puffs.
- Second step, guided by the hosts, we work together in forming our first 2D shape, the look on each party guests face when they turn their first shape out is priceless, it's amazing to see!

let's play!

- It's time for freestyle! This party is total freestyle, we allow the kids to get into it and design away, decorating the remaining cupcakes on their own, with our guidance and help when they need us. We love to foster creativity and not force it; we love seeing the kids creativity come to light!

decorating wrap up

- At the end of the decorating (1 hour), we will provide each guest with a special window cupcake box so they can safely transport their decorated cupcakes home in style and show off their masterpieces to family and friends!
- The cupcake decorating ends with clean up instructions to prepare for party food time.

It's time to eat

- After 1.25 hour of decorating, we have the remaining 3/4 hour of the party to serve party food, cut the cake, mingle & hang out.
- The official hosting aspect of Cake It Up's party concludes after 2 hours from the party start time and the party hosts will assist the guests in finishing & packing up. We then officially hand the children back to the host parent's supervision until parents arrive to pick up their children.
