

## Party Schedule – Hot Mess Tower

### Upon arrival

- We kindly ask guest to arrive 5 minutes before the scheduled party time.
- You will be greeted by one of our friendly staff out the front of our studio. This is an exclusive use space and only host one party at a time. The existing party could still be finishing so we will bring you in all at once, once they have vacated the studio and we are set up ready to go.
- Once all of the guests have arrived, your party hosts will commence and get the party started (we allow for a 5 minute “late window” for guests who may running late).

### It's time to Cake It Up!

- The hosts will then begin explaining what they're going to make during the party.
- They will introduce and explain how to use the tools, piping bags and other materials. This is the fun part as the party guests get to look, touch, feel and figure out what all of their tools are for.
- **Let the hands-on fun begin** - party guests are guided by the hosts who will be giving a live demonstration of each step, step by step as they go along so no one will be left behind.
- Firstly, guests choose the colour they would like to make their buttercream, learning how to use professional cake decorating gels to obtain their desired colour.
- Next, guests will each learn how to fill their own professional piping bag with their coloured buttercream, this is so much fun!

- The tower construction begins. Together with the guests, the host shows them how to pipe with their piping bag, strategically learning how and where to place their tower treats such as:
  - cookies
  - marshmallows & meringues
  - smarties & chocolates
  - Tonnes of lollies
  - Gumballs
  - The list goes on.....
- Then best part is, once we've shown the guests how to do the first steps, we then let the kids creative imaginations run wild and let them create their towers in freestyle time, we put the music on and boogie as we create.

### **It's time to eat**

- After 1 hour of creating & finalising their Hotmess Tower Creations, we have the remaining 1 hour of the party to clear the tables, sit down grab a bite to eat and enjoy our retro snack baskets with a drink. We will, mingle, chat, hang out then sing happy birthday & cut the cake!
- The official hosting aspect of Cake It Up's party concludes after 2 hours from the party start time and the party hosts will assist the guests in finishing & packing up. We then officially hand the children back to the host parent's supervision until parents arrive to pick up their children.
